

BYLAWS (REVISED) OF THE North Central Texas Council of Governments

2018

INTRODUCTION

The North Central Texas Council of Governments (NCTCOG) is the regional planning commission for the 16-county Texas State Planning Region 4 comprising Collin, Dallas, Denton, Ellis, Erath, Hood, Hunt, Johnson, Kaufman, Navarro, Palo Pinto, Parker, Rockwall, Somervell, Tarrant and Wise counties. NCTCOG is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391.

STATEMENT OF PRINCIPLES AND POLICIES

1. The underlying concept of the North Central Texas Council of Governments (hereinafter referred to as the Council) is that the general purpose units of government, which are closest to the people, should exercise the basic initiative and leadership and have the primary responsibility for dealing with those problems and needs which require action on an areawide or regional basis.
2. The physical, economic, and social well-being of the region, its citizens and business enterprises, now and in the future, are dependent upon an orderly development of the entire region. This will be possible only with the successful coordination of governmental services and policies.
3. Counties and cities are the principal units of local government in the region. As such, they have the responsibility for anticipating and meeting the local governmental needs which future development will produce, including the need for joint and coordinated areawide services.
4. County and city governing bodies are, and should continue to be, the top policy makers in local government. They are directly concerned with all services and regulations affecting the public in their communities.
5. Constructive and workable policies and programs for meeting and solving the areawide problems of local government will be most effectively and expeditiously developed by regular meetings of governmental unit members in an areawide voluntary council dedicated to the solution of these problems.
6. The Council is an organization through which individual governmental units can coordinate their efforts. It is not in itself a government nor does it seek to become one.
7. The Council shall consider such matters as are areawide or regional in nature or as requested by or deemed beneficial to its member governments.
